### Better Health For Children

A Community Service Issued 1. by Children's Hospital of Buffalo, N. Y.

Every home, regardless of how careful parents may be, contains many small objects that are dangerous to children. These objects include peanuts, egg shells, beans include peanuts, egg shells, beans safety pins, screws, buttons—and all the other everyday needs that are similarly small. Then E. J. Atwood, A. B. Burrows that are similarly small. Then, gerous as objects that stop a

All restrictions on new gas space heating have ended.... everywhere on our system.

## Application and Written Approval Required

Our Rules and Regulations still require a written application and approval as before to use gas for new heating. (Required by Public Service Commission). Application blanks are available at each of our offices.

# Many Thanks for Your Patience

To all of you who have been affected by these restrictions, our sincere thanks for your patience.
