DAIRY INDUSTRY'S FRIEND

LEHMAN, in his ten years as Governor, gave New York State its greatest era of business rule in history.

LEHMAN, in office during the depression years, tempered efficiency with humaneness to bridge a social crisis.

LEHMAN, the Governor with the farm conscience, rescued the dairy industry from disaster by the U. S.-State Mar-

Right in time for a full Winter's Season

Due to unseasonable hot weather of the past several weeks manufacturers became overstocked. — Phones have been ringing and letters—offering us coats and suits at ridiculously low prices. We were well stocked ourselves but we could not afford to pass up these wonderful bargains.
