Social Security Tax Increased January 1, 1950

Security law, it was stated by Joseph B. O'Connor, Regional Director of the Federal Security State Population

that for the present the new tax state established a new low recause to take the crown away from applies to wages and salaries up ord of 10.5 per 1000 population.

tive stage. The amendments were passed by the House, and congress at Friendship are now awaiting action in the Congress at Friendship

passed in 1935, this tax was to begin at 1 percent in 1937, and go up ½ percent every three years to a ceiling of 3 percent of a quarter of a million births in 1949. However, Congress for a number of years subsequently froze the tax at 1 percent."

Mr. O'Connor also pointed out that for the present the new tax is a percent to take the crown away from state established a new low rectage of the hay and will have charge of the hay and will be larger than last year. Will be larger than last year as the present the new tax at 1 percent."

Mr. O'Connor also pointed out that for the present the new tax is the established a new low rectage.

"The proposed amendments cipal seed crops in the United states averaged 27 per cent high."

Note the Ropp of Rushford. A survey cup is awarded each year to the Hay King, besides other liberal prizes.
