# Chevrolet trucks give you more powerful performance, thriftier operation

You can expect great things of these new Chevrolet trucks. They're the most powerful trucks Chevrolet has ever built, yet they cost surprisingly little to operate. Two rugged, wonder-working Valve-in-Head engines—the Thriftmaster 92-h.p. and the new Loadmaster 105-h.p.—bring you performance that saves you time and money. New Power-Jet carburetion provides smooth, quick acceleration, and the 4-speed Synchro-Mesh transmission in heavy-duty models means faster shifting and greater safety on the grades. To you, this

means wonderful new performance . . . less time on the road . . . less time in the haul. So do yourself a favor. Visit our showroom today. Chevrolet trucks have what you want!
