timely fish tips. One way to add zest to a fish dish is to serve the

stuffed with cole slaw. It's also important to select vegetables and fish partners with thought Green salads with a sharp or tart dressing are a natural. Other good choices are: Baked, scallopped, or French fried potatoes; scalloped or creole tomatoes; ascucumbers, zucchini,

Some foresighted homemakers with an eye on the calendar and wishful thought for warmer days, begin to plan their summer wardrobes now. If you are on the hunt for cotton fabrics, you may want to know a few facts about the crease resistant materials on the market.

According to specialists at the New York State College of Home Crease resistant cottons, because of their crispness of body, will drape, pleat and handle differ-ently from similar untreated materials. The resistance to creasing makes these cottons difficult to press flat. Before you buy, it's a good idea to read the label manufacture. The distortion is

to the services. Wednesday, 7:30 p. m., pray-
