Almond Rd, Hornell, N. Y.

made a study of mother's preferences in snowsuits found that two-piece suits are more satisfactory than one-piece suits for children three years or older. Other features preferred were: zipper front closing; elastic webbing at the waist and belt; trousers with a bib in front and adjustable cloth suspenders; reinforced trouser knees.

Bedtime For Teen-Agers Now that school days have begun again for your teen-agers, you'll be a wise parent to campaign for plenty of rest. Once P. A. Dean and John Dean are a youngster reaches adolescence demands on energy. Ten hours of rest at night during the school

Your teen-agers may balk at in early bedtime, but try to fun and enjoyment they get out of life in the years to come depend a good deal on the health

Fire Prevention prevention that's worth a pound tion is the kind we have in mind woman who has enought money And since defective chimneys to build a house on it.
