At this time of the year it is customary for most American citizens to make a list of what they call new year's resolutions. What are these new year's resolutions? Usually it is a listing of things they are going to do and things they aren't going to do. Of course these resolutions are for the improvement of a

person's life. Let us examine some of these resolutions. Perhaps your next door neighbor, Mrs. Jones who 's exceptionally plump, decides her new year's resolution is not to eat so much food. Little John states that next year's homework is going to be done more accurately and promptly. From these you can get the general idea of what new year's resolutions are. Don't you think the following statement would be good new year's resolutions for us to make below 80 per cent. carry out? If you have been tardy to school, make it few minutes early in 1952. Let's take a few more pains and time in doing our homework. Last year we were unco-operative but this year we shall try to work together. During 1951 perhaps we haven't done as much for our mothers and fathers as we should have done but in 1952 we shall do better.

In 1952 we will all strive to be better American citizens. There is only one thing wrong Seniors Release with the new year's resolutions Most people are very enthusiastic about them for a few weeks but after a short time most of them are forgotten.

Don't you think it would be a good policy for us to make worth while new year's resolutions, and stick to them all the time?

The Varsity cheerleaders and others would like to ask where they went and why they cheer the Jay-Vees to victory and and they couldn't do the same for the Varsity? When the final whistle blew and the students filed to the buses, we all found out. Some had been downtown and some were on the bus.

Believing that students who go to the game go to cheer and root real heavy, and they harmonize for the home team, all of us hope all students carry out that theme white pleated skirts of the Varat future contests.

Seniors to Hold Dance, January 11

The senior class of A. C. S. plan to hold a dance January 11, 1952 in the school gym from 9-1 with fun for everyone, young and old. The following people have been

chosen to select an orchestra for that evening Mary Fowler, Mary Brown, Joyce Spicer, Dale Pelton, Roger Wright and Micheal Connor. The orchestra will be announced at a later date. Admission will be seventy-five cents and forty cents, \$1.40 -per_ couple. -<u>--</u>ACS----
