Bean Supplies Firm Potato Stocks Down

Albany, Feb. 11-Stocks of dry beans available for use after less than a year ago, but farm stocks of 528,000 bags were 12 percent greater, reports the De-

Potato supplies on January 1,

1952 were notably smaller than a year ago. Merchantile stocks in New York, estimated at 7,060, 000 bushes, compare with 10 500,000 bushels on January 1 1951. In the 29 late states which

largest January 1 stocks were in York third, with North Dakota a

Heart Booklets Received Here

James H. Kessler, President, of the Andover Community Chest announces that Western New York State Heart Association, as

the teachers parent are recommended in this new booklet published American Heart Association and

that can lead to a Infection is. Teachers are theresome cases of rheumatic fever." . "No one but a physican can diagnose rheumatic fever," the Heart Association booklet points "But the teacher has a rheumatic fever control through early detection of danger signals prompt referral to the

Crowded classrooms are listed

health service. "There is no simple test for diagnosing rheumatic fever in its early stages. That is why the teacher observation and prompt referral on the under-par child is important.

"The informed teacher, aware of the so-called 'silent' phase in the development of rheumatic fever, will be particularly observant of a child about one week to a month after he has recovered from a 'cold', or from any known 'strep' infection, such as scarlet fever."

The booklet also points out that any chronic illness, such as rheumatic fever, often creates new social and emotional problems for the child and his family. child to accept realistically but even wn limited."

"What the Classroom Teacher Should Know—and Do—About Children With Heart Disease,"

leams working on the problem. 'und allocated \$100 to the Heart Drive this year and is in reciept of a letter thanking Andover people for the support of this

Sounds Silly But It's True New York State motorists pay

more for liability insurance than they do for highways.

In 1950, we spent \$215,269,
896 for automobile liability in-

paid in state gasoline taxes and

And the state spent even less per vehicle, or \$20 less than our

A little more money spent on nighways would reduce the accient rate and incidentally reduce the amount you pay for liability

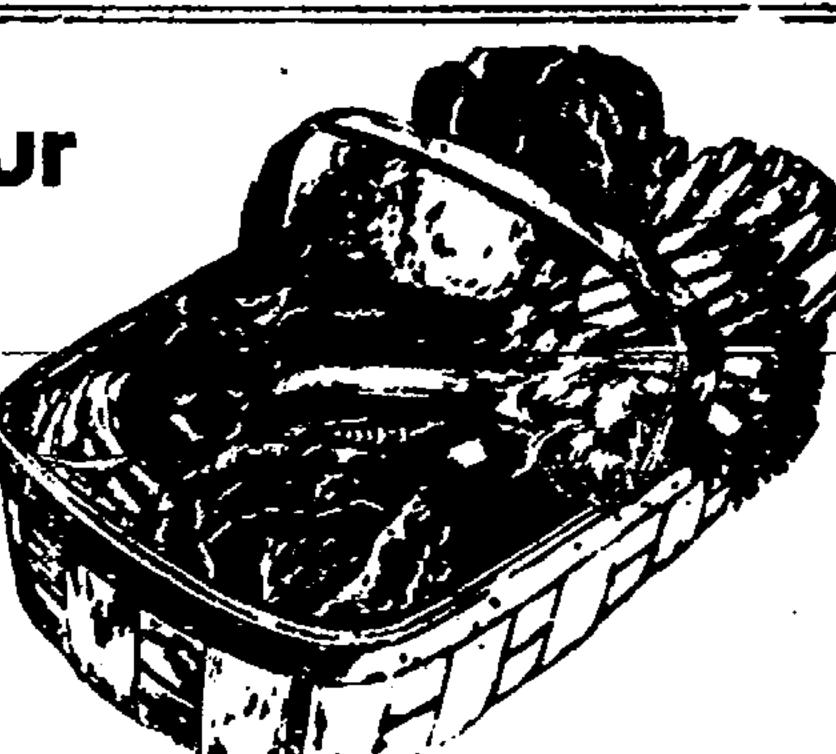

All house plants with large smooth foliage that collect a lot of dirt are benefitted by having their leaves wiped clean
