Athletics Anonymous By Mary Brown

After a quick glance at this title you may be curious about the contents of this editorial. What has athletics anonymous dents attend baseball games, or track meets? In previous years the number has been very few in comparison with the turnouts for basketball games.

Baseball and track are almost unknown sports to Andover fans, therefore, they are athletics an-

Now that spring weather here a young man's fancy turns to thoughts of a baseball bat or a pair of track shoes and the teams may be seen practicing industriously every afternoon. Do you think it's fair to these fellows, who work so hard, not Track and Baseball to give them some support? Let us all join the crowd in

baseball game and then turn out to cheer the fellows to a series of victories on the race track. We don't need an "athletics anonymous" in our school, so and will start competition soon let's remember baseball, track and soccer as well as the all time favorite basketball.
