# Observation Posts

New York, April 24-Emphas-izing that no single area in the state should be considered "safe State and attack," an urgent I immediate recruitment of at least 70,000 additional air-oraft "spotters" was issued to-night by Lt. Gen. C. R. Huebner, Director, New York State Civil Defense Commission.

Gen. Huebner explained that this call to expedite recruitment and training to meet the State's goal of a total of at least 100, Ground Observation Posts statewas of vital import now Lecause of the Air Force's announcement today that all Posts in twenty-seven States must be The order from the Air Force brary in memory of John Ed-

les Tazewell, has been given by manning of all obsertwo of the all time favorite books posts of the Ground Ob-Server Corps in this State is of "Bambi's Children" by Felix one-most particularly to those civil defense organizations," said Gen. Huebner.

"The admission by the heads of the Air Force that it cannot upon for anything complete protection from enemy air attack places squarely the civil defense authorities and through them the entire Spring Concert public, the job of constant vigilance to accomplish the maximum cities and towns.

"This means that without de- Wednesday evening by the Music , civil defense in New York Department of Andover Central State must immediately recruit School, under the direction of and train approximately 70,000 George Holden and Miss Lois additional volunteer ground ob- Winkleman was finely rendered server force workers. Failure to do so in the shortest possible time may mean the difference ı life and death for hundreds of thousands of persons in State alone.
