. Welfare Question and Answer Column

(In view of increasing public interest in public welfare mat- the legislative had done about ters, the Allegany County Public co-operative payments. Welfare Committee of the State" Charities Aid Association, an independent citizens group, presents the following question and answer as part of its program of providing information on taxsupported welfare activities.)

Why do some people who are able to support themselves get free medical care? Many people can meet all their own essential needs until illness strikes. Then, if they cannot in accordance with welfare department standards, they may receive assistance for part or all of the medical costs. public welfare activities may be
