### Facts About New Social Security Formula

The Social Security Act Amendquarters of coverage after Decemto avail themselves of a benefit figured under the new benefit formula. For claims filed before April

benefit figuring could be used, but for most persons 65 years of age important in deciding the amount or over, who will file claims after April 1, 1952, their benefit may be figured by the most advantageous method for them, either the old or the new formula.

Under the new formula, it will be possible for some retiring workers to draw a benefit of \$80 per month, while under the old formula the highest possible rate Benefits will vary in amount from a \$20 minimum to \$80, depending upon average wages. monthly benefit payment in Alle- cultural Agent that the annual gany County is \$40 per month at Hay Day is definitely planned for

1952, will not qualify for the max- Son farm on Corbin Hill, between imum benefit except in rare cases and only in certain cases can the \$80 benefit rate be paid before January 1953.

benefits does not mean an automatie increase in payments to present beneficiaries; nor does mean that all future beneficiaries will get \$80 per month. It simply a benefit computation age harvesters and hay driers. formula basing benefts on average monthly wages paid after December 31, 1950. It can be used in <del>computing benefits only for wage</del>

earners who are fully insured by virtue of wages paid since Decemattain the age of 65 before July 1, 1954, can be fully incoverage. A quarter of coverage is any calendar quarter in which a wage earner is paid \$50 or more in wages from covered employ-

Persons who anticipate retirewith their social security office. Their retirement date might be event. of their future nearest field office of the Social Security Administration is located at 139 North First Street in Olean from that office is in the Wellsville Post Office each Tuesday from 10 a. m. until noon.

### Notice

Nomination of Candidates for the office of member of the board of education in central school dis-

In all central school districts candidates for the office of member of the board of education shall be nominated by petition. Such petition shall be directed to the clerk of the school district, shall be signed by at least twenty-five qualified voters of the district, shall state the names and residences of the candidates and whether such candidates are nominated for full terms or for the unexpired portions of such terms, and shall state the specific office for which a candidate is nominated. Each petition shall be filed with the clerk of the district not later than the tenth day preceding the school meeting or election at which the candidates so nominated are to

be elected. Copies of petition blanks may be obtained from the school office or the office of the clerk.

### Notice of School Meeting Andover Central School
