SAVE Labor -- LOWER Your Up-keep Costs with the

The new LONG "60" automatic plati-up hay baler has 25% less parts than any other automatic pick-up hay baler on the market. Fewer parts to wear out or cause trouble willmean lower upkeep for you year after year. Strong sturdy construction plus high capacity will mean a prolitable operation season after season.

The new "60" has all of the outstanding features of the LONG "50" plus many new ones that mean even higher production with a lower operating cost. This is still the only automatic pick-up baler that offers you all four of these cutstanding features as standard equipment—Automatic baler tension bar for compact bales tied under pressure without stopping the head . . . Special twine fingers that eliminate up to 95% of tying troubles . . More Fowerful 26 h.p. engine

... Start and stop baler from tracisr. Let us show you these and the many other features today. Don't buy until you see it.

Why do children in foster homes wear better clothes than my child-

Children coming under the welfare department's care often have fullittle or no decent clothing and must be newly outfitted. This may give the impression that they are better dressed than other children. The policy is to provide clothing that is similar to but not Works. The projects include 3.97 better than other children's.
