Gas Rate Higher Effective Sept. 15

Empire Gas and Fuel Company, . Limited announced today that it ence. had filed new rate schedules for rates represent an increase of 5 ter, Virginia, died in 1932. cents per thousand for the first Authorday afternoon on a charge of for the next 47,000 cubic feet heater Corp in Wellsville. 200,000 cubic feet per month. minimum bill under which no gas is used will also show an increase 5 cents per month. These changes represent an increase of from seven to nine percent, depending on the amount of gas

> Officials of the Company emphasized that there were two principal reasons for a rate increase. First, the Company must purchase much larger quantities of At \$4.28 gas than it used to so that its customers may have the type of service they are entitled to and expect to receive. Second, the Company's wage costs have increased as have those of most other busi-

A Company spokesman said, "In addition to these two principal other costs of doing business have ropolitan milk marketing area. increased as we all know only too well. Steel pipe is one of our lar- ducer butterfat differential gest material requirements and a good example of increased costs. We are pleased to be able to assure our customers of adequate

future gas supply. In addition to our own local production, which anfortunately is ded sing thereby making it necessary for us to purchase larger quantities of pipeline gas, we have long term contracts for the purchase of gas from each of the two principal suppliers of national gas in this area. Their connections with the major transcontinental gas transmission lines insure a continuous

future supply." Hospital Notes

#### Details of Annual Dairy Tour Announced

H. Ira Blixt, County Agriculis to be held Wednesday, July 30th At this first stop, he said, 15 oat cussed by Dr. A. A Johnson, Plant Breeding Specialist from Cornell Miss Roberta Snyder, daughter University. In addition to that this stop will be a new hay drier just installed this year, and other

The second stop, at 11 a. m., neth Crusen of Alfred- Almond willbe at the Thomas Guest & Son farm, and the purpose of this stop will be to show the advantages of and fertilization on pastures. This will be of special significance in view of the drought that we have experienced in this county, said Mr. Blixt. By the time of the Dairy Tour approximately five inches of rainfall will have been applied to the demon-

At 12:00 noon the Dairy Caravan will stop at the Rushford school lawn to enjoy a basket lunch. Everyone attending the tour should plan to bring their own basket lunch. In case of rain provision has been made to eat in the Rushford School Auditorium. Free ice cream will be serv-

ed to all those attending. The agent stated that the third stop would be at the David Davies & Son farm, where a farm business analysis has been made by Dr. Jack McGurk of Cornell's Agricultural Economics Department. Dr. McGurk, at this farm, will discuss some of the farm management practices that each and every farmer should consider today. Also discussed will be farm business agreements, fatherson relationship by Fred Morris, the Vocational Agricultural Instructor at Rushford Central

The fourth stop, about 2:15 p. will be at the Thomas Guest & Son No. 2 farm, where 12 varieties of corn will be observed and again discussed by Dr. Johnson. In conjunction with the variety olot, a weed controll demonstration has been established and will discussed by Charles Flagg,

Weed Control Specialist.

The last stop of the day, about 3:15 p.m., will be at the Robert Smith farm in Fillmore where a new pole type barn is being constructed. Robert Rooney will tell of the advantages of pole type structures and will also point out some advantages of pen stabling and elevated milk parlors. Mr. Blixt said that this annual Dairy Tour, sponsored Allegany County Farm Bureau Dairy Committee, wishes to express appreciation to the following cooperators: the Rushford Central School, Allegany Conservation District, Breyer Ice Cream Company, Plant Breeding Department of Cornell University and the G.L.F. Stores of the
