#### Robert Snyder Awarded Cornell Scholarship

The Ward W. Stevens Holstein Scholarship at Cornell University has been awarded for the coming school year to Glenn MacMillen, Albany and Robert Snyder, Andover. Both are seniors in the College of Agriculture, majoring in dairy industry. Each will receive \$250 from the fund set up in 1943 under the sponsorship of the New York Holstein-Friesian Association in honor of the late Ward W. Stevents, pioneer Holstein breeder and dairy cattle judge.

MacMillen, son of Mr. and Mrs. Irvin A. MacMillen, was born and raised on a 200-acre dairy farm near Cobleskill. A leader in 4-H dairy activities during high school days, he built up a registered Holstein herd of eight head which was dispersed in a Schoharie County Holstein Club sale to help pay college expenses. He won the senior 4-H dairy judging contest in 1948 and 1949, and was a member of the winning 4-H State and Nation-

Dairy Judging team this fall, and these two final semesters in the University dairy barns,
