# Auto Thief Caught By

Guy Erwin Jackson, 22, of Smethport, Pa., the driver of a Pontiac Club Coupe, which had been reported stolen Thursday at Bradford, Pa., was apprehended about 2:20 Friday morning by Police Chief Albert Rogers, accompanied by Constable C. M. Holt, after a lively chase around Tuesday evening for New York Andover Village streets and down Route 17 toward Wellsville at speeds ranging from 80 to 100

The affair began when Archie N. Hatch, Bolivar Police Chief, the installation services Thursday spotted the license number he had earlier heard in a radio communication between Bradford, Pa., po-District Deputy Grand Matron of lice and the Cattaraugus County Allegany District for the ensuing Sheriff's office, on Bolivar's Main street and gave chase.

Unable to overtake the car, Officer Hatch continued in pursuit, meanwhile attempting to contact Chief Rogers at Andover by radio. Unable at the moment to contact Officer Rogers, he called the police at Bath and asked them to relay the message via the Wellsville Zone Station of the State Police and established contact with Officer Rogers when he was at the foot of Norton Summit. The coupe evaded Wellsvile police apparently by using back streets, and failed to stop at the intersection of Routes 17 and 36 in Andover when Officer Rogers signalled 1 and Rogers accompanied by Cor-

stable Holt gave chase. The car went up Main street on Route 36, to Church street, over Church and back down on Main and then headed out Route 17 back toward Wellsville. With Officer Roger's car overtaking him, the driver of the coupe turned up the Elm Valley road, at which time Constable Holt fired warning shots which resulted in a Wellsville girl, who was riding in the front seat of the coupe, reaching over

and turning off the ignition. Chief Hatch, who couldn't keep up the pace, arrived on the scene about the time the driver of the coupe jumped out of it and the three officers overpowered him. Jackson was arranged before Justice Harry Kemp of Andover on a charge of speeding at 100 miles an hour and then turned over to Trooper L. D. MacCall of the
