Hallowe'en

By Francis Vickers Since Hallowe'en is this Friday let's have everyone from Andover behaving himself. There are many different things we can do on Hallowe'en besides destroying property and waxing or soaping windows, and the many other desstructive things we have seen in

past years. If we do go out tricks and treating and some one refuses to treat us, let us walk away and go on to the next place with out ruining things that belong to the people who did not treat us. Remember you won't always young, and when you get older how would you like to have the things done to you that you maybe are planning to do to someone this year. The Exchange Club is having a parade for all of the kids of Andover, so let's do our best to make this Hallowe'en the best one we have ever had. ----ACS-----

By Lucille Smith

The exclaimnation, "Oh Boy! Am I going to have some fun Friday night,' can be heard bubbling from many an A.C.S. student's lips and most of us know why beacuse this Friday, October 31, is Hallowe'en night.

How are you planning to celebrate? At the mere mentioning of Hallowe'en there comes to our mind a picture of the "gang" and also the excitment of being

Students, why not do something to benefit someone such as many of the grade students who, when they say "Tricks or Treats", will own words before reading it to collect used clothing to be sent to Mrs. Marie McFadden for correcthe children of Korea.

Why not try to follow these suggestions: 1. Do have fun but not by hurting someone else. 2. Do make the Hallowe'en Par-

ade Friday night a success. . Don't do the harmful things mentioned above such as building road blocks, remember to set an example for the younger child-

4. Don't, by all means, go near the railroad. You may get into serious trouble. 5. Do think of the "Golden

Alfred-Almond

Tips Andover "Mike" Smith

The Andover Panthers went to Belmont last Wednesday to play off a sectional tie with the Alfred-Almond Eagles, in which the Andover boys got beaten 2-0.

The Panthers played a hard fought game, but in the fourth quarter Alfred-Almond put the ball through the goal for the two points. Then the Andover boys played their game harder, but since there were only a few minutes left the boys couldn't get the ball through the gcal.

The Andover Panthers played their last game Tuesday night, against the new Whitesville team. This was the last game of the season before basketball season

-----ACS--------Andover Defeats

By Charles Howland

The hard fighting Andover Panthers dumped a fast and tricky Canaseraga team 2-0 on a snowy Canaseraga field last Monday. Both teams played good ball in the first half, but Andover managed to score in the first quarter when "Rich" Davis took the kick from his half back, dribbled through the fullback and booted it through for the score. Canaseraga and Andover had many opportunities, but couldn't take advantage of these opportunities. They enjoyed a short rest at the half which was cut short because of the weather. The third and fourth quarters were also cut short to 10 minutes instead of the usual 12 minutes. In the third they fought back and forth with both teams defense having some close calls because both lines were driving hard. In this quarter Carl Atwell had to be removed from the field because of an injured leg, which occurred when he collided with the goalie. In the fourth quarter Andover played defense mostly trying to hold their 2-0 lead for the fourth quarter which they did and won
