For high school students, Mrs. Marco Conde', our librarian, tells me we have many new selections, which include sport stories, mysteries, biographies and books for

The new sports stories are: "Cinder Cyclone" by Howard Brier, "Bob White Bonus Player" by Arthur Mann, "Money Pitcher" by A. R. Thurman, and "Wrong Way Rockie" by Richard Wayne. "Cinder Cyclone" is the story

of a track rivalry that started in high school and continued through college. It is the absorbing story of transition from high school to college and the problems confronting young athletes.

"Bob White, Bonus Player" is the moving story of a lonely schoolboy, who meets the challenge in a way that belies his years. It is the bitter gold-plated struggle of big league baseball to sign over brilliant Bob White.

"Money Pitcher" How would you like to be in big league baseball where everybody believes you are a millionaire while secretly you're over* trying to live the fact that circumstances have suddenly left you without a dime. This is the Students To See heart warming story of a boy who undergoes the above conditions.

"Wrong-Way Rockie" by Richard Wayne is the story of a boy who goes into baseball as a pitcher but immediately is seen by the manager and players to be an awk- Woolf production of "Kiss Me, ward ball player. Basketball Practice Begins

By Charles Howland The 1952-53 basketball season started at A.C.S. November 1st with a short practice. About 30 boys turned out for the practice and it is expected that about 25 boys will be kept. These 25 boys will make up the Varsity and Junior Varsity teams which will play ten league games and six nonleague contests throughout the

Boys Intramurals

By Eddie Harkenrider In the junior and senior high soccor intramurals tournments, the champs have been named after a long struggle through the tournment which started in September and lasted to the end of October. In the high school the sophomores with captain Charles Howland and co-captained Avery Mead took first place. They had a record of 5 wins and 1 defeat.

In the second place we found the Senior Knighthawks led by Ron Monahan and co-captain Evan Dolan. They have a good record of 3 losses and 3 wins. In third place I found the junior Midnighters and the Freshmen Hotrods as sharing the honors. Charles Lehman is captain and Howland, Pat Baker and Anne basketball have been practicing junior Midnighters. captains will receive 5 points and F. F. A. Boys Get the co-captains will get 3 points. The boys who played in the game on the Sophomore team will each get 30 points if they played in more than half of the games. The Senior boys will each get twenty points if they played in half of the games. The Juniors and Fresn-

men boys will get 5 points each. The system is if you take first place you get 30 points and if you take second place you get 29 points and if you get third you get 10 points. The last place team doesn't get any points.

Mind Your Manners

By Mary Anne Joyce Now that school is back in full swing again assemblies and class meetings will soon become fre quent. Here are a few cues on how

to act at these: Be there on time and take your seat quietly. Don't yell across the room to your friends. When the meeting is called to order, turn your attention to the presiding officer at once. If you knew how hard it is to conduct a meeting when everyone is talking you'd save your little confidences th some other time If you can't hear, don't distract the attention

Join in the class spirit in class meetings and in the school spirit in the assemblies. If there is a speaker for the Assemblies, he is a guest and any discourtesy on the part of even one student reflects on the entire audience and school. Courteous attention is due him even if you find him uninteresting or hard to hear. Remember that when the speaker leaves, he carries with him an impression of the school which is determined by the conduct of Elm Street
