Do you often wonder why a certain girl is always busy and in her clubs is the outstanding member? Shall we see if she has the good member characteristics? A good member shows her respect for others by always being punctual; she welcomes newcomers and makes them feel wanted, "let Lucy do it" is never heard from this member; she realizes her responsibilities and readily accepts them. Knowing the purpose of each meeting this good member earns the right to give helpful criticism.

Now for the test! Does your ability as a good member agree with the ideal phases of a good member mentioned above? If so, hurrah for you!

has something new for the students. We shall have what the music supervisors call an all county music festival for which a few students will be chosen from each school in the county and will it combined to make one big mixed chorus and band.

This Saturday the following students will go to Wellsville to try out for this event: Chorus: Soprano, Sandra Bostwick, Laura Croyle, Jean Daley, Gay Rogers, Ella Mae Stimson, Jackie Vickers.

Altoes: Virginia Kibbe, Marion Milligan, Kay Mickle, Janet Lang, Carol Nye, Lucille Smith. Tenor: Norman Pelton, Richard Kemp, Ted Smith.

Base: Ed Harkenrider, Ernest Weirich. The students who are going

from our band are: Clarinets: Carolyn Clarke, Edgar Hoagland. Karen Corwin, Robert McClure. Flutes: David Marsh, Base: Roger Phelps, and Jerry

After it is determined which of these students are accepted, the lucky ones will receive the music which they will have to learn before the event, which will be on February 15, 1953 in the Wells-
