Don't Know
How Much
to Deduct?

Are you one of those unfortunate taxpayers who never knows how much to deduct for drug purchases?

You can relax.

DrugTax can help you, and it isn't going to cost you a penny.

DrugTax is the new record-keeping system now available at our pharmacy. With it, we keep a complete record of your drug purchases. And at the end of the year we send you a DrugTax statement which tells you how much may be deductible in computing your federal tax return.

Simple? Of course—and it can save you money!

By making all of your drug purchases at our store, you will be guaranteeing yourself an annual tax record. Those "little" purchases (which can add up to big ones) won't be forgotten.

We think you'll be pleasantly surprised at how many items are deductible. It could mean tax savings for you.

Come in today and let us tell you more about DrugTax. Remember, it's free.
