Three cheers for the basketball team! The players really deserve a hand for the tremendous effort they displayed during '65-'66 season.

We all know how disappointed you boys were after losing that heartbreaker Friday night. But you know sometimes winning is not the most important thing. Sometimes it is how hard you try to win. Maybe we didn't get to go to the sectionals, but at least we have the satisfaction of knowing we won more games this year than we have in the last three years added together. This year the team just put all they had into the game and that's what we like! It really seemed good and was a pleasure to support the team this year as I'm sure it will be for many years to come. Congratulations Panthers! We're proud of you.

The swimming team has some praise coming too. We can boast a good record for the size of our team. Excellent sportsmanship was shown by the team and we all hope next year brings even more success to you. Keep up the good work. Swimming is a relatively new sport to Andover. As anyone to build up a really good team. We're well on our way and in a few years Andover might well be tops in swimmers from this area.

For many years the same bulletin board has appeared in Mr. Carmody's eighth grade homeroom. It has been a humorous, yet profitable source of information for each class of teen-agers entering high school. Sometimes, it is wise to review good advice and in this case it is especially so. For your future reference, I present this copy of Mr. Carmody's TEEN COMMANDMENTS.

The Teen Commandments

1. Stop and think before you drink.
2. Don't let your parents down; they brought you up.
3. Be humble enough to obey. You will be giving orders yourself someday.
4. At the first moment turn away from unclean thinking—AT THE FIRST MOMENT.
5. Don't show off when driving. If you want to race go to Indianapolis.
6. Choose a date who would take a good mate.
7. Go to Church faithfully. The Creator gives us a week. Give Him back an hour.
8. Avoid "following the crowd". Be an engine not a caboose.
9. Choose your companions carefully. You are what they are.
10. Or even better—keep the original TEN COMMANDMENTS.

The Spy!

Well, here I am again, all ready to "sneak" on all my fellow students. Seems as though everyone had a busy week-end.

Several Andoverites were seen in Wellsville Saturday night. This elite group included M. C., and S. R., K. J., G. B., B. P., D. A., B. C., and many others.

I also saw quite a few people at the Community Center including J. J., D. J., S. B., D. A., C. J., B. C., (G. B., and K. J., looking for J.B.Y.

C. J. seems to have found an interest in Scio. Could it be P. G. I also happened to be passing G. B.'s house Friday night and saw a big party. At the scene were D. A. and M. M., K. J., and B. B., D. J., P. J., and B. J.

Well, that's all we have for this week, but I'll be back next week so keep in line.

Alcoa, Texas, in northern Galveston County, was named for a British ship which was driven ashore in the 1900 hurricane.

A 90-ton blue whale develops about 10 horsepower when swimming at five miles per hour.

Senior Interview

This week the senior being interviewed is Jean Louise Harvey, better known to the students of A.C.S. as "Harv".

She is the daughter of Mr. and Mrs. Allen M. Harvey. She was born on January 11, 1949 and has two brothers and one sister.

Throughout her high school years at A. C. S., Jean has majored in math and science. She has participated in many activities including: F.H.A. 4 years; Band, 4 years; All County Band, 3 years; Area All State Chorus, 4 years; Chorus, 4 years; Orchestra, 3 years; and Dance Band, 4 years.

In last year's musical she had the vocal lead of Susan. In her Junior play she played Joan McDonald and in the Senior play Kitty Drake.

In addition to Jean's having been a member of the National Honor Society for 3 years, she has also held class offices, being the vice-president of her freshman class and the secretary-treasurer of her junior class. She has been a cheerleader for 4 years, while also being a member of both Camera Club and Hi Herald 4 years.

Elmira College is included in her plans next year. She wants to become an English Teacher.

Jean's philosophy is: "Do it tomorrow, you've made enough mistakes today". Her pet peeve is a Pedant.

Among her favorites we find saying, "So what can I tell you?" color, blue; book, "Tom Jones"; food, fried clams; movie, "Breakfast at Tiffany's" and subject English.

Her outside activities include Presbyterian Youth Fellowship and Presbyterian Church Choir.

This year Jean was also privileged to receive the D.A.R. Award

So Jean we all wish the best in the future. We know that you will succeed in all you do.

Happiness

by Rita Dixon

Happiness is everywhere
 To a baby it's a teddybear,
 To a toddler it's a bright new ball,
 To a little girl her favorite doll.
 To little boys it's different things
 Baseball bats or jelly beans,
 To teenage boys it's cars and jazz,
 To teenage girls it's fads, fads,
 fads.
 To newly weds their very own home,
 To baseball fans the Astra dome.
 To a pilot it's a speeding jet,
 To a bowler it's a perfect set.

To me, it comes in many forms
 Starry nights or sunny morns,
 Falling snow and timid deer,
 Autumn fires and Christmas cheer.
 But most of all it's friendly places,
 Filled with folks with happy faces,
 Warm embraces, cheerful guests,
 To me, all this is happiness.
