Mrs. Wellman Burch informed our office that she saw a large flock of Wild Geese headed North on Saturday.

With an eye toward restoring Grand Army of the Republic Hall in Island Park, in time for the community's annual Old Timers' Day celebration in July, members of the Friendship Senior Citizens Club will conduct a fund drive on

March 14 - 19. Mrs. Vernon Sullivan, president, said the aim of the campaign is to have funds available by April 1, so that contracts for the repair work on the historic building can be let and work begun when weather permits. She noted several individuals have already pledged sizeable amounts to the project.

The annual St. Pat's Festival will be held this Thursday and Friday as students of State University College of Ceramics at Alfred University pay tribute to Saint Patrick as their Patron Saint. The Festival will open with the traditional parade of floats, bands and marching units down Alfred's Main Street at about 1 p. m. Friday. Fraternities and sororities have built floats illustrating the parade theme "St. Pat Visits Foreign Lands".

A number of families in Bolivar and Cuba have complained to the Better Business Bureau of Western New York that men who posed as "tree surgeons" charged exorbitant prices of \$176 to \$1,970 for unsatisfactory tree trimming work. The men operated under the name of Schena, Wilber and

Leonard Tree Surgeons and also under the name of the Wayne Tree Service of Olean. Hornell and Olean police departments have also received complaints and in some instances have made arrests. It is reported that the men have either received suspended sentences or are free on bail.

Mrs. Lynn Trowbridge entertained the members of the Entre Nous Club at a 7:30 dessert at her home Wednesday evening, March 16th. Honors were presented to Mrs. John Nobles and Mrs. Alvin Hoover.
