Narita M. Yannic To Study At Oxford

Three junior-English majors have recently been awarded the opportunity to enrich their knowledge of English literature by studying abroad. On April 24, Carol Daddazio, Mary Ellen McGlynn and Narita Yannic will begin an eight week period of specialized study at the University of Oxford. Although they are not actually enrolled in the University, they will have the opportunity of studying with outstanding tutors and the advantage of attending numerous Oxford lectures. In addition to these intellectual pursuits, the girls will also be able to familiarize themselves with

British society and culture.

On the basis of academic achievement, readiness for independent work in their major field and plans for future study, Carol, Mary Ellen and Narita have been selected from ten applicants. To prevent a great deal of make-up work, the girls are carrying a minimum course load this semester. They will complete as far as possible, two of their courses prior to April 24 and will continue two of their English courses at Oxford.

Cherwell Edge, a women's residence at the University, and formerly the home of the nineteenth century historian, James Anthony Froude, will be the girls' home during their stay. It is owned by the Holy Child nuns. Until re-

cently, it was used as a residence for students at St. Anne's College, Oxford.

Miss Narita Yannic is the daughter of Mr. and Mrs. Emilio Yannic, Jr., of Bath and granddaughter of Mr. and Mrs. Emilio Yannic, Sr., of Andover and is a junior at Nazareth College at Rochester.

Appreciation

I wish to express my appreciation for the cards, gifts and flowers I received while I was in the hospital and also thanks to those who helped my family. It was all deeply appreciated.
