LEGION BIRTHDAY

Legion. All of the local Post Legion Programs are still being carried out. Two of the main programs are: Boy's State and the Oratorical Contest.

Total 1966 Membership to date is 101 which is an increase of 3 over last year's. After a one year's lapse the local Post is again eligible for the National Commanders' Membership Citation after receiving four years in succession.

Some excerpts were read from the proceedings of the Dept. Convention held at Buffalo last July. Veterans' Preference: There is a growing undercurrent to eliminate Veterans' Preference in all departments of government. Hospital Closings: After the announcement of the Veterans Administration on 13 January 1965 to close down VA Hospitals and domiciliarys,

widespread public support, an angry American Legion and prompt sympathetic Congressional action brought about the development which saved fifteen of the facilities originally slated for closing. Through this united effort, the Veterans' Hospital and Domiciliary at Bath, N. Y., were saved. Again the reminder of the constant threat and spread of Communism within this country was brought out.

The National Commander of the American Legion, L. Eldon James of Virginia will be honored at a Testimonial Dinner at Alexander, N. Y., on Friday, April 22nd.

Everyone present was reminded that Nominations of Officers for the year 1966-67 will be held at next month's Legion Meeting. Anyone dissatisfied with the present officers or the incoming slate should be present at this meeting

to make their own recommendations or changes known.

The following Legionnaires were honored with the Presentation of Continuous Membership Certificates in two groups

- 15 Years
Walter A. Gath
- 10 Years

Clare L. Jackson, Carl H. Honegger, John R. Gavin, John M. Dixon, Donald L. DeRemer, Russell A. Monahan and Jack L. Wheaton.

In conclusion the Dinner Committee was given a rising vote of thanks.
