Greenwood Central School News

Miss Carolyn Bassett, a member of the Class of 1966 at the Greenwood Central School, has been accepted for office machine training at the Comptometer School, Rochester.

The three-month training period, which begins in September, will include intensive training in the operation of the key punch, comptometer, and calculating machines.

At Greenwood, Carolyn majored in business and home economics. Her extra-curricular activities have included: Chorus, color guard, Future Homemakers of America, Yearbook Club, Nurse's Aide, and Newspaper Club.

Miss Bassett is the daughter of Mr. and Mrs. Carol Bassett, R.D. 1, Canistota.

CHRYSLER'S ALL-NEW ECONOMY CAR

**Simca 1000 joins
Valiant,
Plymouth,
Dodge,
Chrysler,
and Imperial
in carrying a
5-year/50,000-mile
warranty***

It covers parts that could turn other cars with shorter warranties into expensive propositions: vital drive train parts, vital engine parts. And it pays for both replacement parts and labor.

No other economy import's warranty on these parts lasts even half as long as the warranty on Simca 1000.

What kind of car rates this protection? A family car with sports car features: Porsche synchronizers; 4 forward speeds; 4-wheel independent suspension; a 50-hp rear engine. And more.

Test drive one at your Simca dealer's.

***ENGINE AND DRIVE TRAIN WARRANTY COVERAGE:** Chrysler Motors Corporation warrants all of the following vital parts of the Simca 1000 for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material or workmanship will be replaced or repaired at an Authorized Simca Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, water pump, intake manifold, Trans-Axle parts and rear wheel bearings.

HERE'S ALL YOU MUST DO: Give your car the normal care—change engine oil and retorque the cylinder head at first 600 miles and thereafter change engine oil every 3 months or every 4,000 miles, whichever comes first; clean oil separator every 6 months (spring and fall); clean carburetor air filter every 6 months and replace it every 2 years; and clean the crankcase ventilator valve oil filler cap and change Trans-Axle lubricant every 6 months, or 8,000 miles, whichever comes first; AND every 6 months furnish evidence of this required service to an Authorized Simca Dealer or other Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.
