**Spring Revival Services
At Local C & M A Church**

A series of Spring Revival Services is scheduled at the Christian and Missionary Alliance Church, beginning on Tuesday evening, April 24, with services at 7:30.

Speaker for this series is to be the Rev. Samuel W. McGarvey, pastor of the Christian and Missionary Alliance Church in Wellsville. Prior to assuming the pastorate of the Wellsville church in June of 1964, the Rev. Mr. McGarvey served churches in New York and Pennsylvania. He was graduated from Nyack Missionary College in 1941 and received his ordination in 1943. He is presently serving as a member of the ordaining council of the denomination's Northeastern District, and as President of the Alumni Association of Nyack Missionary College.

Special music for the services will be provided each evening by visiting delegations from area Alliance churches. Pastor Donald Geffers announces.

**Appalachian Land
Stabilization and
Conservation Program**

Assistance will be given needy landowners, operators and occupiers. These participants must have interest in the land and have potential for carrying out sound conservation practices according to a long range plan developed with assistance of the Soil Conservation Service.

The Agricultural Stabilization & Conservation service county committee will determine eligibility for assistance. Those eligible may place up to 50 acres in the program. They may receive 80% cost sharing. Not more than 50 acres can be involved nor can the cost exceed \$50.00 per acre of \$2500. for fifty acres. These practices are similar to those in the regular ACP program.

Information concerning this program can be obtained from your Conservation Service office in Belmont, N. Y.
