Betty York, daughter of Mr. and Mrs. Clinton York, helped make this a winning season for the Women's Volleyball Team of Gallaudet College, world's only college for the deaf, in Washington, D. C. The deaf coeds just ended their 1966 season undefeated winning over George Washington and American Universities and Immaculata and Marjorie Webster Junior Colleges. According to Coach Helen Norton, Betty is one of the "most promising" players. This was Betty's first year on the team and the power she exhibited and her control of the ball indicate she will be one of our top members next year," Coach Norton said. The Gallaudet players had a winning season in 1964 and lost in 1965 by only one game.

Roland Masters, Andover, Guidance Director for Andover and Whitesville Central School, attended the first annual convention of the New York State Personnel and Guidance Association at the Concord Hotel, Kiamesha Lake, New York, held Sunday, April 24 through Wednesday, April 27. Formed from the recent merger of the New York State Counselors Association and the New York State Association of Deans and Guidance Personnel, the new organization had "Values" as the convention theme.
