Mailbox Improvement Week May 16 - 21

The purpose of Mailbox Improvement Week is to call attention to the need for providing mail receptacles which are conveniently located, neat in appearance, safe to use, and which protect the mail from the weather.

Mailboxes of the approved traditional or contemporary design are required for the Rural Routes. Patrons still using obsolete, top-opening boxes may continue to use them at that location, provided they are kept in serviceable condition and otherwise meet the requirements.

Boxes and supports should be kept painted and free from rust. The name of the owner should be shown on the side of the box visible to the carrier as he approaches, (or a name plate on the top is allowable), or on the door where boxes are grouped.

The mailboxes on the Rural Routes must be located on the right-hand side of the road in the direction of travel of the carrier wherever it would be dangerous to serve the boxes on the left or where this would be a violation of the State or local traffic laws or regulations. When new boxes are installed the boxes should be with the bottom of the box between 3 1/2 and 4 feet from the roadway.

WITH ETERNAL LOVE...

The selection of a Memorial as a perpetual mark of love and respect for a departed loved one is a most personal affair. High pressure salesmanship and competitive huckstering have no place in so important a decision.

For all of our more than 50 years in the monument business it has been our custom, out of respect for the bereaved, to wait a suitable time before making a business call.

At such a time of great personal loss it can be a great comfort to know that the details of Memorial selection can be eased by dealing with a firm long known for its integrity and attention to detail.

Our selection of monuments and markers is the largest in this area. Installation of any in-stock item requires only 15 days. We also offer complete lettering service, and no payments until monument is set.

For personal service call "Dick" Umiker at the shop days, or arrange for and evening or Sunday appointment.
