The Wrong Kind Of Conformity by Kathy Shellman

An article, written by Betty Wojnicki, a senior at Cattaraugus Central High School, recently appeared in a newspaper. Betty had something to say and I would like to pass it on as my beliefs are the same.

Betty writes: "Why do most people feel that they absolutely must conform to standards set by those whom they associate with?"

Perhaps they feel insecure if they do not have a group of friends with whom they are able to associate. It is just human nature to want to be accepted by one's friends. So, many people feel they must be conformists.

Another reason for the great trend, is the gross lack of the character trait known as "individuality".

Fear of expressing one's own ideas and opinions of topics is another reason why so many people coosen to follow the crowd.

The student who has a mind of his own and uses it, is thought of as a drag or an oddball, who is just not "with it". He is dropped from the crowd, singled out and ridiculed.

I believe that instead of turning to conformity, to the group, Americans should strive for conformity in such things as obeying the law.

In this area, where conformity is needed, it is neglected.

Senior Interview

This week the senior to be interviewed is Bonnie Louise Nevol. She is the daughter of Mr. and Mrs. Charles J. Nevol and was born on the twenty-first of December in 1948. Bonnie has four brothers and two sisters.

Bonnie has kept up a math and science major through out her high school years. She has also participated in the Junior Play, having had the part of Mrs. Curtis and in the Senior Play, that of Harriet Baker. She has been very active in the music department and has been in Senior High Choir for two years. She also had a part in the musical as Freda (a lady of the P.C.C.F.D.). Bonnie has been in Library Council for two years, being vice-president her junior year and president her senior year. She is also a Future Nurse of which she is president this year.

Bonnie's plans for the future include nursing or F.B.I. work. Her philosophy is "Get What You Can Out Of Life While You're Young". Her pet peeve is "people who think they are better than someone else".

Among Bonnie's favorites we find: song, "These Boots Are Made For Walkin'", saying, "dak"; color, blue; book, "Death Be Not Proud"; movie "Kissin' Cousins"; food, spaghetti; and subject, Latin. We find on the outside she also enjoys photography and reading.

I'm sure all the students who know Bonnie join together to wish her the best of everything all through her life.

FFA News

Two boys accompanied by Mr. Frank Russell went to Middleport, N. Y., for the New York State FFA Convention. The boys were Stewart Bird and Norman Howland. The Convention started Friday and ended Saturday.

Junior Concert

Friday evening in the school auditorium the music department will present the Spring Junior Concert. Groups to perform will include the 80 voice Elementary Choir, Junior High Choir and the Junior Band. Several soloists will be heard including the "Firehouse Four" — the quartet of sixth grade boys (Jim MacMichael, Mike Jackson, Dennis Herr, and Tom Wallace), who won fame and fortune at the Andover Talent Show earlier this year.

Admission for the 8:00 P. M. Concert is free, so even if you do not have a son or daughter performing, come to hear what the future Senior Band and Senior Choir can do. We promise an evening of light, enjoyable listening.

At long last, the Houghton Festival has come and gone with a better than average showing. The select choir for the very first time received an A5 rating. Grade V music is very difficult and judges Richard Paige and Karl Hawes complimented the choir highly for its work.

The Senior Band missed the A6 rating by six points and had to be satisfied with a B6 rating, although criticism was very light. All students involved deserve sound congratulations for a job well done.

Activities have certainly not slowed in the music department since Houghton. The Marching Band is preparing for the Memorial Day Assembly and Parade.

The Dance Band is rehearsing for the forth coming Alumni Banquet, and plans are already being made for the graduation and Baccalaureate music.

One More Time

Report Cards will be issued to be signed for the last time this year on Wednesday, May 25th.

Seniors Interviewed

By F.B.I.

Several A. C. S. Seniors were interviewed by F.B.I. agents from Buffalo on Monday, May 16, as possible clerks, agents, typists or stenographers for the F.B.I. Some seniors also took qualifying tests for stenographers and typists.

The students interviewed were: Bonnie Nevol, Diana Thorp, Marcie Middaugh, Elaine Burch, Carolyn Nye, Bill Clarke and Maxson Clarke. They are interested in different phases of employment for the F. B. I.

Employment advantages for the F.B.I. are many: There are possibilities for on-the-job training and great advantages for advancement. The work is interesting and rewarding. There are many fringe benefits, such as retirement pension and workmen's compensation.

Any others interested in this type of work are urged to see Mr. Masters.
