## Editorial

by Kathy Shellman

Memorial Day — we all know it's true purpose. It is to honor our war dead or those who gave their lives to preserve peace and justice in our country.

I would like to add a new purpose, if I may; a purpose which I hope will hold to this Memorial Day only. Every year at this time everyone is urged to take a few minutes to say a prayer for everyone who has died for our country. This year we will honor those who have died recently in the terrifying battles of the Vietnamese War. These men certainly deserve all the respect and honor due them, but there are some other very important people who deserve our respect and gratitude also. These men have not met death, but they face death with every minute. They fight death and really they have met death several times by just experiencing the many phases of the war. They are the soldiers who live today in the hot and humid climates in Viet Nam. They are fighting a rough horrifying war.

So on Memorial Day offer up a little message to God. Ask him to keep our boys safe and to bring them marching home with victory.

## Senior Interview

The senior in the spotlight this week is Carolyn Jean Nye, daughter of Mr. and Mrs. Arthur Nye. She was born on May 25, 1948, and has three younger sisters. Carolyn is a business major, and plans to go on to a business school. She has been active in F. H. A. for four years and has been in both the junior and senior plays. She has belonged to Camera Club, Library Council and G. A. A. for three years.

Her philosophy is "Treat all people the same." Her pet peeve concerns people who ridicule other people.

Some of Carolyn's favorites are: saying "Oh Dear"; color, red; book, "Death Be Not Proud"; movie, "Joseph and His Brethren"; subject, history; and food, pizza.

Best of luck in the future Carolyn.
