

**SOCIAL NOTES**

In a card received Tuesday from Arthur Burdick, states that they left Wednesday en route to Punta Gorda, Fla., for the winter.

Mrs. Charles G. Lynch has accepted a position on the faculty at Richburg Central School for the coming year.

Ira LaFever, Jr., of Watkins Glen was elected president at the La Fever reunion held Sunday at Island Park, Wellsville. Also named were Hazel Clemens, Wellsville vice-president; and Beverly Allen, Corning, secretary-treasurer. The 1967 gathering will be held at Watkins Glen. Arrangements were made by Mr. and Mrs. Charles Clemens and Grant Kemp of Wellsville, Dale Spencer of Andover and Marie Enders of Ithaca.

The 10th and final instructor has been appointed for the Occupational Center in Belmont, which opens its doors for the first time Sept. 6th. The 10 teachers will instruct from high school in Allegany County with the exception of Alfred-Almond and Canaseraga Central Schools which will transport their students to the Hornell Area Center.

Allegany County farmers improved their financial position somewhat in the past year, according to a nationwide farm survey. With greater yields per acre than in other years and with prices for crops and livestock stronger than before, they were able to close their books well in the black. In terms of the local farm population, the gross income was equivalent to \$2,525 for each person living on the land. It was 8.6 per cent above the 1964 average of \$2,306.
