

Children's Pictures Taken Free And Published In The Andover News

It is an undisputed fact that the responsibilities of tomorrow's world, our Nation, and Community will rest upon the shoulders of the children of today. Since this is true, the publishers of this newspaper would like to give you a good look at these future "World Builders".

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work will be here Thursday, October 13th. Pictures will be taken at Ken Vars Men's Wear in Andover and the Studio will be open from 1 P. M. to 5:30 P. M.

No charge to Parents

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain them by arrangement with the Studio representative when they select the pose they want printed in the paper. It is entirely up to them.

The More Pictures, the Better

The News simply wants pictures of all the youngsters and the more, the better. Children who have been photographed for this feature in previous years are especially invited to return so that we may see how they have changed. So the Mothers and Fathers of the community in which this newspaper circulates should remember the date Thursday, October 13th at Ken Vars Men's Wear Store in Andover and not fail to bring their children to the photographer.

You will be mighty glad, afterwards, if you did, and very, very sorry if you do not permit your children to participate in this event. The kiddies will have much fun and both Mother and Dad — and the youngsters, too — will be very proud to see their pictures in print later. No appointment is necessary. There is no age limit.

If you wish to make an appointment, phone Miss Connie Lewis at 478-5353. You may come at any time during Studio hours. All children must be accompanied by a parent or guardian. Photography will be handled by the Jansville, New York office of Waltz Studios of Des Moines. swillell? ds g,C acr
