Editorial

Rita Dixon

How much do you value our school library? How much do you care about it? In our school, students are taught the Dervey Declamation System and other general information about the library from seventh grade on. They even use this information when assignments positively call for its use.

There are about 6,000 books in our school library and there are about 600 students in the school. If the books were removed from the library and distributed equally among the students, each one would receive approximately ten books.

I dare say that quite a few students wouldn't bother to read these books. When asked why, they would reply, "They aren't interesting," or "They aren't the type we like."

But our library is filled with fine novels, biographies, reference and many other kinds of books. In truth, our library isn't really lacking in anything except the number of books. What is really lacking the most is initiative on the students' part, to read more and discover in their fullness the advantages of our library.

T.V. Tie-Ups

- "Mission Impossible" — Homework assignments

- "Fun to Learn" — Chemistry Lab.
- "Mr. Wizard" — Mr. Bronson
- "Sports Spectacular" — Girls' Gym Classes
- "Gunsmoke" — After Report Cards

Don't Drive After Drinking!

International Fellowship Program

by Marguerite Rick

Through the International Fellowship Exchange Student Program better feelings and mutual understanding have been brought about between countries not on a high political level, but through the exchange of young people. The International Fellowship Program is striving to increase better international relationships by extending knowledge and understanding among all the people of the world.

Many local students, past and present, have benefited from this non-profit organization. Only last summer Miss Marianne Meyn spent two rewarding months in Ecuador, South America. By spending those months there, she receives the privilege of having an exchange student from Argentina, South America, named Horacio Lobo come to spend three to six months with her. Horacio is expected in Andover around December 20. However, he may be able to live with the Meyns for only three months. Therefore, if there is any other family in Andover interested in receiving a young foreign ambassador for about three months, April through June, please contact Andover Central School Guidance Counselor, Mr. Russell Russell for more information.

Attend Tea

Saturday, November 12, Rita Dixon attended a tea at the Bolivar Country Club in honor of the D.A.R. Award winners. Other winners who were present were as follows: Miss Jane Perkins of Scio; Miss Barbara Valhies of Wellsville; Miss Cathy Clarke of Alfred and Miss Cheryl Piatt of Angelica. There were two other winners of the Award that were unable to attend.

The tea was held from 2:00 to 4:00 p. m. It opened with a greeting to the guests followed by a general discussion with refreshments served later. This was an enjoyable event for all who attended.

Downbeats

Presently, the Andover Central School Music Department is planning their Annual Christmas Program. The various choirs, under the direction of Mrs. Boyer, will sing several Christmas songs each. The band may also participate in the program.

The Pep Band is now meeting and rehearsing for their opening performance at the first home basketball game, Friday, December 2, 1966.
