Back in the 15th Century, a group of hardy pilgrims set aside a special day to give thanks for their successful crops. Today we also set aside a day for Thanksgiving. However, most people think of it only as a vacation, time to have fun or to go visiting with some relatives.

Back on the first Thanksgiving Day the people gave thanks for the food they were eating. At this time of year we should all stop and think about all the things we have to be thankful for. We can be thankful, not only for the food we eat, but for our fire homes, good health, friends, schools and all the modern conveniences of our modern day world. Let's all have a fine Thanksgiving and remember not to take everything for granted. We should especially remember all the servicemen in Viet Nam and say a Special Prayer for them.

F.H.A. News

Christmas is coming soon and everyone is busy buying gifts and baking home made goods. The F.H.A. girls have also been busy. They have been collecting old boxes, cans and also addresses. You may be wondering why they are doing this? What is the purpose?

The answer is that we feel that Christmas this year will be mighty lonesome for some of the boys from Andover who have recently been sent to Viet Nam. Therefore, we intend to do something to help. The girls have been collecting coffee cans and boxes, cleaning them and decorating them in cheerful colors. Into these containers will go home made candies and baked goods, plus a letter with Christmas greetings from the girls who made up that box. In each individual box there will be at least eight cans of baked goods and candy. At the present time five boxes are being prepared.

Each boy will receive one large box. By doing this, we feel, it will show our appreciation for what our boys are doing and also give them a touch of home at Christmas time.

If anyone has the address of an Andover boy who is now in Viet Nam or soon will be, we would appreciate it if you would phone either Linda Middaugh or Kathy Gorsuch and give them the address. Also if there is anyone who would like to send a letter to a friend or a relative along with our boxes, we would appreciate you bringing them to the school.

Senior Interview

On August 31, 1949, Mr. and Mrs. Norman Givens were blessed with a boy, Tarry Eugene. He has two sisters, Shirley and Carol Jean, and two brothers, Gerald and George, all younger.

Before moving here, Larry attended Elizabethtown High School. However, since ninth grade, he has been very active in many organizations including Red Cross, two years; Senior Choir, two years; and Future Farmers of America for three years, being President in his Junior year. Also he participated in the musical, "Check Your Worries", and was on the scenery staff in the Junior Play.

Larry hopes to go to college next year, but while still here in good old Andover, he majors in agriculture and business.
