The Alfred University music department will present its traditional Christmas season performance of George Frederick Handel's "Messiah", on Sunday, Dec. 11 at 8:15 p. m., in the Men's Gymnasium.

The Alfred University Singers of 110 voices and a 25-piece orchestra will be directed by Dr. Melvin LeMon, chairman of the music department. The university orchestra will be augmented for the performance by guest string players from Rochester and Buffalo.

The four soloists who will sing during the program are Natalie White, soprano, the new vocal music teacher at Alfred-Almond

Central School; Gloria McMaster, soprano, Dansville; Herbert Berry, tenor, Canaseraga, and Paul Gibbons, bass, assistant professor of music at Alfred University.

"The Messiah" will be performed on Dec. 10 by the same group in the Naples High School as the first concert in a modern artistic series sponsored by the school faculty association.
