## Editorial

Resolutions? I did. I made just presented in the auditorium at 8 one New Year's Resolution, if p. m. Thursday, December 15th

just to be a better person. new ones. In fact when people are just proving that the ones made the year before were failolutions to do better all through. The junior high choir offered the the year. What difference does it make if they renew them and tack on a fancy name? Actually when some people make New Year's Resolutions they are just making hypocrites of themselves. Resolutions may sound impressive when they are spoken, but many of the people that speak them know well that they won't keep them. Now have probably made. Were you really serious or werg you just conforming with the crowd:
