may even go to school or conege some day.

Birth defects are the second lar-gest destroyers of life in our-na-tion. Birth defects are respons-ible for the death of an estimated 500,000 unborn babies and 60,000 infants, children, and adults every

year.
Let's fight to lower this number! Join the March of Dimes to ber! Join the March of Dimes to help finance scientific research and national center for study and treatment of birth defects. Your contribution may help to win the battle. It may even save you the future anguish that comes with the birth of a defective child.

School Spirit

Each year at this time, about mid season, our school spirit seems to be about worn out. All of a sudden we aren't giving our teams the support they deserve. Many of us come just to visit with our triends and have a good time and not to wat, it the game or meet where are loys are giving their all to win and make us ungrateful fans product and happy. It is finct o visit and enjoy ourselves, but let s not let our teams down; let's do a little eneering for them and their efforts.
