Dr. George J. Blair, pres-

Society, appointed Dr. Frechette ident of the American Ceramics to the committee on technical information services under the chairmanship of Dr. Marvin Britton of Corning Glass Works. The group will hold its first meeting on Feb. 10 in Columbus, Ohio.

Angelica Fair Dates Changed To July 18 - 22

The Allegany County Fair at Angelica will be held earlier this year and will be one of the first county fairs in the state.

The fair which has been held the second week in August for many years has been rescheduled for July 18-22.

The change in dates was made during the annual meeting of the State Association of County Fairs held Sunday through Tuesday at

Syracuse.

The Allegany County Fair was presented by Gordon Payne of Andover, president; and Rodney Sheffield of Angelica, treasurer. They had been authorized by the Fair Board to make an adjustment in order to secure grandstand and carnival acts for the fair.

Sheffield said that the July date had to be decided upon at Syracuse in order to get these acts. He said that he knew the dates were early but that he felt farmers and others in the county who

participated would be able to continue to participate.

Ginny Tiu and her family will be the featured grandstand attraction on July 22 and Kochman's Hell Drivers will be the main attraction the opening night of the fair.

Appreciation

My sincere thanks to relatives and friends for the flowers, gifts, visitations and the many cards and notes I received while in the hospital.
