## Appreciation

I would like to say "Thank you" to everyone who was so kind while I was in the hospital. To all the wonderful people who sent cards, gifts, and food and made visitations. I want to say how very much it was appreciated. A very special "thank you" to my men for doing such a wonderful job of running the station while I was gone.

Sincerely  
Herm Wallace

## TO ALL RESIDENTS OF ANDOVER:

Unlike most political candidates I am **not** going to promise you any earthshaking changes in Village affairs if I am elected. The only promises I make are the following:

I will give 100% in effort to accomplish any project that I feel is worthy.

I will serve you with the same dedication that I have always put forth in any worthwhile endeavor.

I will **not** be dictated to by anyone in any matter concerning Village affairs.

I feel that teamwork in any group makes for an efficient and well run operation.

I also feel that it is time to inject new ideas into our local affairs.

During the past week I was informed by an **Old Timer** who has participated in many Village elections — "I quote" —

"Son," don't go into this election with the idea that you are going to win."

Well, I wish to tell all of you people in Andover that I **do** feel I can win this upcoming election. All I need to accomplish this is for you voters to really face your true responsibility. Think hard before you vote and see if you are willing to settle for another team of frustration.

I believe you are all ready to move ahead with the fast growing times. Lets keep up with them **now** instead of having to catch up in years to come.

On March 21 — Please Vote
