

The last corner of the Raub Homestead at Elm Valley topples just a couple of minutes after the Andover Fire Department arrived at the scene of the fire around 11 p. m. last night. News Photo
(The falling objects in the foreground that look like golf balls give mute testimony of the weather conditions, as it was really snowing when the picture was snapped.)

Appreciation

I wish to express my appreciation for the cards and letters I received at the time I broke my arm. They were greatly appreciated.
