Summer Events Listed For New York State

Events of interest to vacation travelers are listed in the summer edition of "New York State Events Calendar" issued by the State Department of Commerce.

This issue covers the months of June, July and August and is one of a series issued as part of the state's travel promotion program.

Events listed range from art shows and concerts to festivals and regattas. The schedule of county fairs is included and also the harness and thoroughbred racing meets.

Free copies of the "New York State Events Calendar" are available from the New York State Department of Commerce, 112 State Street, Albany, N. Y. 12207.

Ed. Note: — Anyone just wanting to check out a specific date can stop off at the "News" Office and check our copy that we have on file.

How To Obtain BBB Service

Hundreds of people try to reach the Better Business Bureau each day by telephone. Many succeed, while others receive a "busy" signal or a recorded message which asks you to call between 9:30 and 11:30 a. m. or between 1:30 and 4:30 P. M.

The recorded message is registered as a completed call by the phone company; therefore, we suggest that a customer calling from a pay-station, a limited phone or from outside the toll free area write to the Bureau if they receive the recorded message.

For information, write the name and address of the company you're interested in, together with your own name, address, zipcode and phone number. We will call or write to you.

If you have a complaint, give us the name and address of the company and tell us briefly about your complaint. This will save time, as ALL complaints registered must be in writing! Always discuss your complaint with the business man BEFORE you contact the Bureau, as we do not accept complaints until the business firm has been given an opportunity to make an adjustment.
