William MacCrea

Andover Art Teacher Exchanges Classroom

Exchanges Classroom

A native of Niagara Falls, William MacCrea graduated from Alfred University College of Ceramics, with a fine arts degree. He had attended for four years its design department. Following his practice teaching at Andover Central School he accepted the opportunity to be a member of the Andover Central School faculty in the Art Department in September 1958.

Mr MacCrea will teach in a

tember 1958.

Mr. MacCrea will teach in a British Secondary School at the Audley-Park Secondary School in Torquay, Devonshire, England. Torquay is a British resort city of about 80,000 people, so, having been spoiled by country living, they hope to live in a nearby village about five miles from the school.

The Roard of Foreign Scholar

The Roard of Foreign Scholar-ships has selected Mr. MacCrea and Miss Betty-Davies of the Aud-ley Park School to exchange class rooms which is effective during the rooms which is effective during the 1767-03 school year. Wiself Eritish teachers will be in American classrooms. Mr MacCrea has a Fulbright-Hays geant and he explained thru the cooperation of James H. Kessler, supervising principal, the exchange was made possible. Miss Davies will arrive in the United States the latter parof this month and will live at the home of Mrs. Esther Joyce, Elm Street.

Street.

Mr. MacCream and his wife Mr. MacCream and his wife Dolgres Jean (Zimmerman) and their two sons, Rory, aged 11, and Kevin, aged 9, (to be 10 next month) were to sail on S.S. Nieuw Amsterdam for Southhampton on August 18 but due to a cancelled sailing, they leave from New York City on the S.S. France, leaving on the same date.

The family leave Andover and

The family leave Andover and their home at Waterwells, Rd., Alfred, R.D., August 15, since it is necessary to attend meetings in New York City on the 16th and

MacCrea, who is looking Mr. MacCrea, who is looking forward to his year's teaching assignment in England said, "I had applied for a position-in Scotland but none seemed to be available. The reason for wanting Scotland aside from those born of family pride, to make a study of early Christian. Art of Celtia Buitoin. This would mean traveling to varthose on the isle of Iona and at arcient burial grounds. Such actohes on the isle of Iona and at arcient burial grounds. arkeient burial grounds. Such artohse on the isle of Iona and at Scone, the ancient Scottish Capital. I have reason to believe that the art of Gaelic Britain was a style brought directly from the East — as the manuscript illuminations early carvings and enamigled metal work would indicate particularly from the early Christian strongholds at Alexandria and antioch."

antioch."
"I intend to get to Scotland
and Ireland too for that matter
since Ireland was the receiving
ground for the "new" religion and art forms of the time, to further this study."

"Actually Torquay win many advantages since Cornwall will not be too far away — and

News That's

Due to an oversight on our part last week, we overlooked a news item which we think is of interest to us and to the people of Andover. Saturday, July 29th while registering to vote, we asked if it would be possible to have the figures dropped off at the "New Office" after the last person was registered, and our request was granted.

granted.

At the "Personal Registration. At the "Personal Registration... held in Andover July 27th thruntae 29th, a total of 538 voters registered. There were 154 cn Thursday: 217 on Friday and Sat-urday's count was 157, which was said to be a good turnout. Sorry Aquina, we'll try to do better next time.

While we are on the subject of While we are on the subject of forgetting and overlooking — how about the nice picnic area that "Jim" has installed by the Gulf Station at the South end of Main Street. It sure improves the looks of the Station and hill, to say nothing of the convenience. "Jin" tells us that a lot of travelers have used the picnic area and it also helps to keep Andover on the map.

map.
Nice work "Jim", it sure locks inviting.

Also Foiks have you noticed

Also rokes have you mother the beautiful rose oushes on Route 21 going North from Andovex?
Well if you haven't — take a good look for Jim and Mary have sure done their part to help beautiful Andover tify Andover.

Speaking of putting Andover on the map and if seem' is be lievin' — FLASH! FLASH — at long last — Yep, turn to page Three of the Andover News and you'll see the first installment of a series of the long awaited Vil. Ordinances. How 'bout that? Wonder what prompted this sudden (') action. We plead the 5th this time.

Village Board Print To Fit Orders Dump Fenced & Locked

At the regular Board Meeting Tuesday night, the board approved the fencing of the Village Dump erecting a gate and keeping it looked with keys available only to the two garbage collectors, Edward Ryan and Clarence Carson. The action on the closing of the dump to all but the two collectors was a result of the report that conditions were getting worse with continual dumping and burning. The decision to close the duap was enacted to comply with the state law, Mayor Kilbane stated.

Applications For 1967 Party Permits Available Aug. 10

Applications for 1967 deer hunting party permits in New York will be available about August 10 at all Conservation Department of

at all Conservation Department offices and license-issuing agencies,
the State Conservation Department has announced.

Completed application may be
submitted as soon as they are
available, but not later than Sept.
5. Any application postmarked
Sept. 6 or later is invalid.

Applications mailed in "early"
will receive no preference in the
section process.

A party of hunters selected for a party permit may take a single deer-of-either sex in addition to the one antiered deer legally allowed to each individual men

the one antlered deer legally allowed to each individual member of the party.

This year each member of a party must obtain a 1967 big game hunting license before the party applies for its permit. Each party member must enclose the "Party Permit Stub" from his license with the application when it is mailed in for selection.

The party will indicate is choice of an accasion. There are no alternate choice. If the number of valid applications for one area is smaller than the quota for the recall applications for that area exceeds the quota, a comparter will select at random, enough applications to fill that quota.

Leaders of parties selected will be notified about September 20 and will receive at that time additional instructions concerning paying the party permit fee and validating the applications.

A person owning 50 or more acres in one parcel within a party permit area may use the special landowner application, also ava.

A person owning 30 or mor acres in one parcel within a party permit area may use the special landowner application, also ava, able at all Conservation office, and license-issuing acencies, to secure a party permit without coin through the computer selection process. Up to 50 per cent of the quota in each area is available for qualified landowner parties.

This year a landowner application may be filed at the same tirules other party permit applications—from the date of availability through Sent. 5. Applications postmarked Sept. 6 and later will to the accented. Landowner applicants will be notified of an approval about Qct. 1—after ownership records have been checked.

Tandowner parties in the Adiron dacks and Catskills will have two members: in Western New York three members.

Each of the 15 party permitareas established this season habeen assigned a ouota of permits based on biological studies of herd and source condition and designed.

based on biclogical studies of herd and range condition, and designed to maintain a stable, healthy herd Complete information about an ideations, quotas, narty size, ner mit areas and hunting with a narty permit are contained on the information sheet that accommen-ies each party permit applications. Applicants are advised to read this sheet carefully, and to follow all sheet carefully and to follow all instructions. They should are check the 1987 edition of the Hunting-Tranning Fishing Guide for information about the game season.

Babe Ruth

Babe Ruth

On Wednesday, August 2nd, the Andover Babe Ruth Team closed their season with an excellent team victory (11 to 0) over Scio.

Andover ended the season with 9 wins, 3 losses, to place second in the Allegany County Babe Ruth League. Two of the three losses were against first place Cuba, which were very close games and could have gone either way.

Andover can be proud of its
