"Old-Timers" Lose Game 25 to 5 Out For Revenge Sunday, Aug. 27th

At two o'clock last Sunday, "Doc" Crawford and "Doc" Allen started the ball rolling by throwing out the first baseball, to begin the "Old-Timers" and "Youth" baseball game of the season.

The "Old-Timers" were downed by the "Youth" baseball team in a rather lop-sided defeat. Although the crowd being smaller than was anticipated, it didn't hamper the vigorous crowd with their cheers and enthusiasm in the least. For all of those that saw it, it was indeed one beautiful day and jam packed with entertainment. "Old-Timers" might have lost the game, but it sure didn't slow them down for the most part as they looked as though they were in their helms of glory, even if it meant throwing in the "towel" — oops, I mean throwing in one's shoes while struggling for first base. As the saying goes "the old spikes aren't what they used to be, many 20 or 30 years ago". — Huh Howard!

And — we are more sure than ever, that somehow one's eyesight isn't as good as "it used to be" either, since three players at one time tried frantically to find the ball that just happened to be beneath their own "six" feet. Wait your eyesight or was it that you were laughing so hard, you couldn't find the ball — Frank, Al and Harold?

As the saying goes "every dog has his day", and we dare say young lads, that if your "Dads" were back in their teens, they would have given you a race for your money, and the score might have read in reverse.

Never say "die" because from what we observed, "Ye Old-Timers" were back on the field, in spite of their aches and pains practicing diligently again last night, getting ready for their next game in two weeks, Sunday, August 27th. So why don't you people in the Village and Town, come on down and support these grand fellows. It means a great deal to the "Youth Baseball Association Fund Raising Program" when everyone helps for such a worthwhile organization.

The total proceeds from Sunday's game was \$104.86, which has been placed in the Youth Baseball account in the Citizens National Bank, where it will be used for the need of all the little baseball players.

"Paper" garments are actually made of cellulose and synthetic fibers that have been treated with a fire-resistant chemical.

Annual Bike Rodeo August 19th
