# News That's -Print To Fit

Well folks, the frost has been can and off the "punkin" in different snots all around this area for the past few days — with each right hitting a few more spots and areas. However, as of this morning, our marigolds sti" haven't been hit hard enough to kill them — how about that?

Ennañou, thru the courtesy of the "Boys down at the Pump Statton"—here are the recorded lowand highs for this week: Sunday the 10th — L 47, H 51; 11th — I. 27, H 63; 12th — L 29, H 70; 13th—L 32, H 78; and today. September 14th, the Low was 33 and the present reading is 72 — with the weatherman's prediction that it will hit 80 before the day is over. over.

Well, enough of the weather—and on to another front! When the New York State Lottery was first proposed, we came outagainst it, voted against it—and are "still agin it".

We realize that some people are given to graphly on one thing

are "still agin it".

We realize that some people are going to gamble on one thing or another—and that it is their own husiness to spend their money as they see fit. They are the on that have to live with their own conscienc—and have to pay the penalty when they get caught (if it is against the law).

However, for the State to lay, "If's against the law to play stot machines", "games of chance" etc., and then turn around and legalize betting on horse race, then have the gall to promote and under children thin? Esseen if when it is not each an under the gules of aiding their Education. If we creach "Law and Order" to mar vitiens—and to our children, how can we condone turning light around and letting of Store Government ran a "low of the law in the same.
