Snowmobile Racing At Rainbow Lake Sunday

Snowmobile racing, the newest winter sport, will begin at the 750 acre Rainbow Lake Recreation Area on Sunday, January 14, and every Sunday thereafter. The summertime camping and picnic area north of Ellicottville and just off Route 219 will feature unique racing across the frozen surface of the area's 65 acre lake. In announcing the weekly Sunday races, Owner-Manager Bob Westfall said the races over the lake course "should be fun and produce some spectacular spins". On nonrace days, snowmobile owners are invited to bring their machines to Rainbow Lake to practice the course and ride for fun over the miles of trails through the woods, hills, and valley, or over the ice.

A snack bar and warming shelter will be available for patrons and spectators.

Because of its high elevation, Rainbow Lake has an abundance of snow. It comes here sooner and stays longer, Mr. Westfall said. "We also expect to have snowmobile rentals in the near future for those who do not own their own machines, but would like the fun and the thrill of the sport."

Several snowmobile rental sites and race courses are operating in Western New York. Rentals are available near Cottage and Allegany. Race courses are operated each Sunday at the 440-Recreation Ranch in Leon, the Holland Raceway, at Centerville, and the Catteraugus County Federation of Sportsmen's Clubs at the fairgrounds in Little Valley.

The races are conducted in classes according to the machine's engine cc. displacement and the manufacturer's rated horsepower.
