

A weighty problem! It takes (left to right) Harold Rice, Stan Ormsby, and Cliff Holland, to handle "Trustee" Charley's "King-Size" Christmas Tree that the Rod & Gun Club boys picked up at his house. Howard Nichols standing in the back of the Steuben Silk Mills truck, seems to feel confident that he can "handle" the problem when it is passed up to him. (Well, Charley says that he is "King" in his own "Castle" — so that makes it a "King-Size tree doesn't it?")

Family Care Program

Dr. J. Rothery Haight, Director, Gowanda State Hospital, announces the expansion of the hospital's family care program.

Family care is used as a therapeutic exit from the hospital for the mentally ill. Patients selected for this care have been in the hospital some time and no longer have need for the highly specialized services of the institution. When it is felt that they have profited all they can from hospital care and that they will respond to individual attention which comes from family life, they are placed, for various reasons, with families other than their own for care and supervision. A number of other patients more recently admitted are placed in family care homes for the purpose of hastening their convalescence and their rehabilitation in the community.

Applications are now being accepted for this type of private home placement. The current boarding home rate is \$150.00 a month.

All inquiries should be directed to Dr. J. Rothery Haight, Director, Gowanda State Hospital, Helmuth, N. Y. 14079.

Huibert F. Garwood, 82, Caneadea, Jan. 15. Three daughters, a brother and a sister survive.

Sign Your Tax Return

Federal income tax returns have to be signed to be complete. When you are sure that your 1967 tax return is complete, and you are entitled to a refund, mail it in the envelope provided in the tax package you have received, to the North Atlantic Service Center, 310 Lowell Street, Andover, Mass., 01812.

A pre-addressed label showing the taxpayer's name, address and Social Security number is included with your tax package. Use of this label further expedites processing of your refund return. Before you attach it to your tax form, check to see that all information is correct. If not, make the necessary corrections. John E. Foley, District Director of Internal Revenue at Buffalo, stated that last year thousands of taxpayers forgot to sign their re-

turns. As a result their refunds were delayed.

On joint returns, both husband and wife must sign. Each shares legal responsibility for the return, and each must sign. However, if the husband is a serviceman in the Viet Nam combat zone, the wife may sign her name and in the space provided for her husband's signature, note that he is in the military forces in Viet Nam.

To avoid processing delays, take another look at your return before mailing it in. This kind of double check will often avoid mailing a return that is not signed, has a missing or incorrect social security number, has no withholding form attached or has a mistake in arithmetic.

When errors occur, it is usually necessary to contact taxpayers for correct information.

If you find you owe a tax, mail your return with check or money order to the Internal Revenue Service at 34 West Mohawk Street, Buffalo, New York 14202

Appreciation

I wish to express my appreciation for the visitations and gifts and also for the Sunshine Baskets I received from my neighbors and classmates while I was in the hospital and since my return home.
