In Assam, India, they believe it. Bad show for tennis but what a place to sell rubber footwear, or to raise watercress.

As your Farmers and Traders Life agent I'm more interested in coverage against medical expense than coverage against water. For instance, I have a Hospital Indemnity policy that pays a monthly income to you and your family in case of severe hospital and surgical expense. This broad, flexible policy covers many items that other policies may miss such as M.D. calls and drugs. Let me give you the full story on this remarkable plan.
