Would You Believe
 THERE ARE 12,000 100-YEAR OLD AMERICANS?

 Not being 100 ourselves and not knowing any centenarians, we were surprised at this figure. Just shows you what some folks will do to collect their full measure of social security payments.
 Figures about people fascinate anyone at Farmers and Traders Life Insurance Company because this is a people-minded organization. For instance, we sell P. I. or Personalized Insurance that's suited to your needs as a person, not a computer number. As a Farmers and Traders Life agent, I'm also interested in people, not in selling by the numbers. Like to hear about Personalized Insurance? Just let me know.
