TAX
INFORMERS
ARE PAID?

Well, one such informer was paid \$76,000 for giving information that led to recovery of taxes from an evader. Payments to informers are held to 10% of the amount recovered so some taxpayer was hit for \$760,000 in this deal. Wouldn't it be nice to be able to pay a tax of \$760,000?

As a way of life, tax informing sounds dreary. Our interest is in the Personalized Insurance plans of Farmers and Traders Life Insurance Company. These P. I. plans are geared to your requirements. Think about insurance for a minute and then, if personalized insurance sounds good to you, let me tell you the details.
