HALL OF FAME

Charles Joyce

The fourth member of the Hall of Fame to be chosen from the

Class of '68 is Charles Joyce. Charlie is the oldest son of Mr. and Mrs. Charles Joyce and has one brother, Dick and two sisters, Cheryl and Teresa.

His majors are math, science, and Spanish. Charlie was Sophomore Class President and is presently the Senior Class President. He is editor of the 1968 Yearbook and President of the National Honor Society. Charlie is an active participant in sports including baseball, soccer and basketball. He is also a member of the Varsity Club.

The third place prize in Geometry was awarded to Charlie and also second place in the American History Award. He held leading roles in both the Junior and Senior plays.

After graduation, we'll find Charlie at Cornell, John Carroll or Harvard University where he'll pursue a law career. Best of luck, Charlie, from all of us at A.C.S.

Winners Of DAR Essay Contest

Altogether there are fourteen students from the seventh and eighth grades who are winners of this year's DAR Essay Contest. Julie Brown, grade eight, and Cheryl Joyce, grade seven, are District winners and their papers have been entered in the State Contest.

The other winners are: Charles Wolter, Dawn Burrows, Karen Davis, Larry Nevel, Pam Crittenden, John Hyland, Barbara Leonard, Alan Folsom, Dennis Burrows, Susan Church, Pat Mulconery and Christine Joyce. Congratulations students!

Red Cross News

The Red Cross members in the seventh and eighth grade made favors and sent them to the Veterans' Hospital for St. Patrick's Day.

The members are now working on the knitting of squares for the lap robe, disaster bags and friendship boxes. They are making plans to write news letters which will be sent to the boys in Viet Nam telling them the local news and giving them address of other boys.

Downbeats

On Friday, March 29, the Senior Band will attend the Band Festival at Alfred State Tech. The Junior Band will attend the Band Festival on Saturday, March 30.

The Senior Band and Choir were scheduled to go to the NLS-SMA competition at Honeoye Falls on May 11, but instead they will be going to Penn Yan for competition.

The Andover Volleyball Team was defeated by Whitesville last Tuesday, March 19. We played the best two out of three games. In the first game the score was 15 - 6 while in the second it was 15 - 4 in favor of Whitesville. Their team is a good one, proven by the fact that they have made the sectionals in Rochester four out of the last six years.

Tuesday, March 26, the A.C.S. baseball team began practice. We are looking forward to a good season and will try to get farther than the first game of the sectionals where we were last year. The schedule and team members will be in next week's paper.

Cafeteria Menu

MONDAY: Spanish Rice, Shredded Lettuce with Oil Dressing, Bread and Butter, Juice, Milk.

TUESDAY: Hot Turkey Sandwich with Gravy, Buttered Vegetables, Juice, Milk.

WEDNESDAY: Chicken Vegetable Soup or Split Pea & Bacon Soup, Egg Salad Sandwich, Juice, Milk.

THURSDAY: Boston Baked Beans with Catsup, Peanut Butter Sandwich, Cabbage and Carrot Salad, Milk.

FRIDAY: Salmon Casserole, Vegetables, Bread and Butter, Juice, Milk.

The Value of Our Senior Thesis

Ever since we were freshmen or younger, one of the things we thought about when we thought of being Seniors was our thesis and how much we would dread writing it. Well, we're here and wondering "what in the world" writing that old thesis is going to do for us."

However, after considering it for a very long time, I have decided maybe there is some value to what is generally known as the "time-waster". The value can generally be broken down into two areas - (1) learning to write research papers, and (2) finding out about the career of our choice.

Many Seniors will be going on to college next year and will be required to write many research papers. This thesis will give us the skills and practice to be prepared to do this. Also, the research end of the paper will also be good experience. The research will inform us more about our chosen career, too. For example, before I began my thesis, I knew I wished to work for the government, but I didn't have any idea in which field or even what opportunities were open. Now I know this information.

So, even though writing the thesis is a great deal of work, there is value in this project.

Senior Interview

The Senior chosen this week is Darlene Ann Lehman. She was born September 11, 1950 to Mr. and Mrs. Harold Lehman. She has three sisters, Lois, Hazel and Mary Lou and two brothers, Charles and Carl.

Darlene's activities include chorus for two years, GAA for three years and Hi Herald for two years. She is majoring in cosmetology.

Next year she hopes to enroll in Executive Secretarial Science at Alfred State Tech.

Problem Corner

Dear Fennie and Meenie:

With tests coming up, I'm starting to get really nervous. There's so much studying to do and I don't get as much sleep as I should. I get very nervous and scared about tests. Do you have any suggestions?

"Nervous"

Dear Nerves:

To cure yourself of this terrible nervousness make sure that you study well enough and know the material. If you study well and know that you know the material, you should come through all right with a good mark and the good feeling that goes with it. Keep calm and good luck!
